Prevention of Cruelty to Animals Month

April is Prevention of Cruelty to Animals Month

Use your voice to protect *all* animals

The month of April is dedicated to the Prevention of Cruelty to Animals because being cruel to animals is an unjustifiable act that shouldn't exist in any civilized society.

Sadly, RCBR's Felix is just one of the millions of animals who has been neglected or abused. It happens to one animal every 60 seconds in the United States alone.

We (you, me, us) CAN make a difference. It starts with awareness. See something, say something. Let your friends know that these animals need and deserve our voices and our love.

Volunteer Spotlight Roxann Nelson

I started my volunteer work at my local animal shelter. Going in to spend time with the dogs left behind broke my heart and gave me a passion to get them out. After a few months at the shelter, I saw a dog on Facebook needing a forever home. Her name was Rosie, and I fell in love with her instantly just from her picture. She became my first adoptee, and I was forever hooked. From that moment on, I knew that I needed to help as many of these special pups as I could. This started me on my foster journey. I have had many since then: Marshall, Milton, Buster 1, Buster 2, Gizzy, Chyna, Bubba, Tucker, Bella and many more that have touched my heart and healed some broken parts of me. They have been a lifeline in my life and when I am fully healed and ready, I will start fostering again.

I have also spent many years adopting and loving my cats. They add another dimension to my home and help with the dogs' transitions. All have been dog savvy and have taken to each and every one of the dogs with open hearts and paws.

For now, I am the RCBR Volunteer that sends out Thank You notes, Sympathy cards and our newest venture, cards to welcome the new families that adopt these precious souls.

March Adoptions

Ozzie

Adopted 3/12/22

It all started when I volunteered to babysit Ozzie, a tiny pup with a big **big** personality. Mykenna and I went to meet him at a local fundraiser and it took me about 35 seconds to know he was ours. Ozzie has come to us with neurological issues for which he is being treated. He also came to us with a wide open heart and a willingness to love! Playful, curious, loving and smart describe him perfectly. He and Piper are bonded now and spend

much time together playing tug-o-war, wrestling and exploring. We love this guy so very much!! So grateful to RCBR for bringing him into our family!

Honey
Crossed the Bridge 3/18/22

Heaven gained a new angel March 18, when we lost our beloved Honey.
It was tough to see her health decline her last few weeks.

Honey was adopted from Rejection Collection Boxer Rescue in Sept of 2020.
When we picked her up, she jumped in our truck, just like she had been with us for years. She moved right in to our home and our hearts.

Despite the neglect, and possible abuse, she experienced before her rescue, she was always sweet ... unless you were a squeaky pig.

At home, we have been exchanging pictures and videos
we had each collected of her on our phones.

These photos and videos of our sweet, funny and loving girl
have helped us through our loss.

We miss her dearly.

Mission Statement

Rejection Collection Boxer Rescue (RCBR) is a non-profit, all-volunteer, foster-based organization dedicated to providing loving homes for Boxer dogs - especially seniors, medically challenged, and those needing to start over again in an unfamiliar world.

We offer quality care for whatever time is left; it is not about the quantity of days, but rather the quality and amount of love that can be shared during those days.
